

Privacy Policy

TABIMACHI-GATE HIROSHIMA Co., Ltd. (hereinafter referred to as "We") is deeply aware of the importance of personal information and believes that a sound relationship with our customers is impossible without protecting their personal information.

We comply with laws and regulations regarding the protection of personal information and strive to adequately protect our customers' personal information in accordance with the following Personal Information Protection Policy.

- (1) We have established an Information Management Committee within the Company and have established and properly managed measures to protect personal information.
- (2) We will use personal information only to the extent necessary for the performance of our business operations after clarifying the purpose of use of such information. In addition, we will develop an internal management system and take security measures to ensure that personal information is not used beyond the scope of the purpose of use.
- (3) In addition to establishing internal security measures against risks such as unauthorized access, leakage, loss or damage of personal information, we will establish and properly operate an internal system to continuously implement the security measures described in the previous paragraph, including appointing a responsible person and conducting training and education activities for employees.
- (4) When we outsource the handling of personal information to other companies, we will instruct and supervise them to ensure that they manage the information in the same manner as we do.
- (5) We will comply with all applicable laws and regulations, national policies and other standards regarding personal information, and we will regularly review and continually improve our efforts to protect personal information.
- (6) We will respond appropriately to requests for disclosure, correction, suspension of use, etc. of personal information. We will also respond in good faith to complaints and consultations regarding personal information.
